Biography

BRYAN KEENE joined YOUNG & Associates in 2018. Bryan's work ethic and love for construction started young working for local farmers and contractors in central Kentucky. Bryan honed his leadership skills through six years in the United States Marines Corps where he became a decorated combat veteran. Bryan's background in Mechanical Engineering gave him the foundation he needed to project manage commercial building projects as well as industrial equipment startups. He has over ten years of experience as a project manager and estimator in heavy industrial contracting. Bryan's skills in the commercial and industrial construction field include the simultaneous management of large-scale projects, developing new clients, cost estimating, and sub-contractor resource management. As a Senior Consultant, Bryan brings to any loss great attention to detail and the personal touch required to ensure a timely resolution.
