### Biography

Dr. Daniel Bernazzani Senior VP Environmental Services Division at YOUNG & Associates is an indoor environmental professional whose credentials in the field date back to the 1980s. He is a past president of the IICRC and a contributing author to ANSI/IICRC's S500 and S520. He has authored hundreds of articles and taught water and mold remediation classes around the world. He consults on complex claims and leads a team of world-class building consultants ensuring that indoor environmental losses are quickly and properly restored to healthy indoor environments.
