Biography

STEVE LEHMAN joined YOUNG & Associates in 2015. He has over 20 years of experience in commercial and residential restoration as a project manager, estimator, project director, and consultant. This has allowed him to see many aspects in the repair process of various projects, including industrial, commercial, retail, multi-family, residential, and hospitality losses. He has expertise in all remediation, mitigation, restoration, and construction phases from his tenure on the emergency service and general contracting side of the business.
